

Minutes for Coleson Cluster Board Meeting, Sept. 17, 2015

1686 Wainwright Drive, Reston, VA

Board members in attendance: Vern Wyly, Casey Deccio, Lee DeCola, Laura Dalton

8:32 pm meeting began.

Residents Alexis Palumbo (1650) and Tatiana Burn (1608) requested a meeting concerning getting a moon bounce for the Oktoberfest, to be held September 26, 2015.

Agreed conditions for the Moon Bounce:

1. They said the Moon Bounce would be 15 ft x 15 ft in size and would be brought to the cluster about 3 p.m. before the event and removed the same night, around 8 p.m.
2. The door to the Moon Bounce would be placed closer to the Oktoberfest activities and the opening to the Moon Bounce would be toward the festivities, not toward the main road.
3. The family of each child that participated in the Moon Bounce would sign a disclaimer, absolving the cluster of liability.
4. There would be an adult to supervise the entire operation at all times.

Regarding how the Moon Bounce would be funded: Tatiana and Alexis said three residents would bring their own grills, and thus save money there. In addition they would go with another provider of table and chairs which would be cheaper. The cost for the Oktoberfest food, rentals and children's activities would be the same as in years past and would not go beyond the budgeted amount.

Lee moved that the board approve the moon bounce for the September 26, 2015 Oktoberfest.

Casey seconded the motion.

Motion passed.
